

introducing it, I got a round of applause because they said it was the shortest bill they had ever heard. The current fee paid to coroner's juries is \$2.00 and LB 313 would raise that fee to \$20.00 for a coroner or for...yes, it's \$2.00 for a coroner's jury, nowadays it's \$20.00 for a regular grand jury and this would simply raise the fee for a coroner's jury to \$20.00, matching that of a coroner's jury. SENATOR CHIZEK: Yes.

PRESIDENT: Okay.

SENATOR CHIZEK: Mr. Speaker, colleagues, LB 665 was brought to the Judiciary Committee by the court. Basically what it does, Sections 1 and 2 deletes all references to peace bonds regarding the judges authority to waive uncollectible cost which is done now under the inherent power of the court and this just puts it in the statute. The substantive sections were repealed by the '86 Legislature and, as I said, the bill also provides the authority for the judges to waive the uncollectible traffic court costs. Section 3 repeals 29-2205 which outlines sentencing authority and peace bond proceedings as noted above and peace bonds are no longer authorized by law. Section 3 also
